

MONTHLY STUDY GUIDE

ELEMENTARY ENGLISH IABPV

NOVEMBER 2025 | **GRADE 4** | **BIXAANA HERNÁNDEZ**

This month we will be learning these things in English class:

ENGLISH	SCIENCE & SOCIAL STUDIES
Unit 4: What can we do with our trash? Learning objectives: I can understand some details in extended dialogs on familiar everyday topics. I can make basic inferences from simple information in a short text. I can make suggestions about what to do, using a few basic fixed expressions. I can write short, simple texts on familiar topics in linked sentences. Vocabulary: cans, fleece, fumes, glass, jars, landfill, metal, natural resources, packaging, plastic, process, soil, toxic. Grammar: • Can use "need" in affirmative statements and questions relating to the present and near future. • Can express sufficiency and insufficiency with "enough" and "too".	Unit 3: Where do animals live? Learning objectives: I will recognize where animals live and what their basic needs are. I will identify and name examples of environments, ecosystems, and habitats. I will identify the different populations and communities in different ecosystems. I will describe how plants and animals adapt to specific environments and ecosystems. I will recognize the biodiversity in an environment. I will identify how environments change due to natural and human causes. I will describe the effects of fire. I will explore how to protect the environment. I will recognize the positive and negative impact of humans on the environment. I will explain how to make compost. Vocabulary: basic needs, shelter, habitat, environment, ecosystem, species, tundra, camouflage, deserts, tropical forests biodiversity, taiga forests, coniferous, temperate forests, deciduous, migration, hibernation, volcanic eruptions, droughts, floods, hurricanes. Social Studies: Reduce, reuse, recycle.
ENGLISH PROJECT
