

MONTHLY STUDY GUIDE

ELEMENTARY ENGLISH IABPV

OCTOBER 2026 | **GRADE 5** | **KARINA TAMAYO**

This month we will be learning these things in English class:

ENGLISH	SCIENCE & SOCIAL STUDIES
Unit 2: How can we learn about history? Learning Objectives: I will identify the main points of short clear factual talks of presentations or familiar topics. I can understand problem/solution relationships. I can describe past events using descriptive language to add interest. Vocabulary: ancestor, bone, chamber, clay, entrance, exit, freeze, labor, looter, noble, occupy, precious stones, adventure, analyze, ancient, artifact, buried, civilization, excavate, fossil, remains, settlement, site, spot. Grammar: - I can distinguish between the Past Simple and the Past Progressive. - I can use “while” with the Past Simple and Past Progressive to refer to past actions and states. - Irregular verbs. Unit 3: Why do we move to new places? Learning Objectives: I can recognize the relationship between a main point and supporting examples. I can identify the main points of factual talks. I can identify supporting details. I can understand details in longer texts. I can give reasons for a choice or course of action. I can give an opinion in a structured discussion. I can write descriptions of personal experiences. Vocabulary: border, citizen, economic, environmental, immigrant, join, move abroad, natural disaster, political, ranch, refugee, settle, baggage, belongings, benefit, employment, essential, fall apart, increase, integrate, reunite, society, stranger, wake. Grammar: - I can use articles a/an, the and zero article. - I can make sentences containing question words: who, which, when, what, why, how much, how many, how old.	Unit 2: Are all life cycles similar? Learning objectives: I will recognize animals that are born independent. I will identify and describe metamorphosis. I will identify the stages of the human life cycle. I will know how to describe the menstrual cycle and its purpose. Vocabulary: adolescent, gestation, independent, life cycle metamorphosis, nymph, reproduction, seedling.  Social Studies: Art, craft, and design are important.
